

PTA Membership

- **Benefits your child and benefits Canyon View.** More than three decades of research show that the single most effective element in a student's success is the involvement of family members in the student's education.
- **Connects you to a network.** Parenting is not easy-it helps to share ideas, concerns and experiences with other parents and educators in the community.
- **Boosts children's well-being.** PTAs focus on what students need to be successful in learning, including nutrition, health, and wellbeing.
- **Leverages volunteer power.** PTA organizes hard-working and dedicated volunteers. Parents are ready and willing to help implement school improvement programs.

PTA Inclusiveness and Diversity mean

- **YOU!** The Canyon View PTA encourages all families, relatives, our teachers and staff members to join.
- **COMMUNITY!** Our community is our greatest asset. As advocates for all children and youth, PTA is most effective when we value all members of our communities by seeing the uniqueness of each individual and working to build strong representation from all groups.

Being a CVES PTA member means

- **YOU** have a voice in issues that affect our students at Canyon View Elementary School.
- **YOU** support the California and National PTA's efforts to provide training materials, community programs, legislative

representation and advocacy for *our* children.

- **YOU** are a contributor towards the many social and educational programs at Canyon View:

Physical Education
Music with Mr. Lee
Science Lab
BrainPop 24/7
Library Books
Friendship Garden
Stories Under The Stars
Reading Awards and more!
